

**NEW**  
**GEORGETOWN PREP POLICY FOR RETURNING RESIDENT**  
**STUDENTS AFTER TRAVEL\***

1. Students may return to the dorms after Spring break on Sun.4/2/06 at 2pm. At this time all students that have traveled back to school by plane must be evaluated by the health office for symptoms of serious viral illness.. NO ONE is allowed to stay in the dorms until they have been cleared by the Health office or Resident office, which will open at 2pm on this day.

2. Any student found to have a fever and cough will not be allowed to stay in the dorms until they are asymptomatic. This means that all residents who do not have a local address MUST have alternate housing plans off campus. It must be a place where the student can stay for several days if needed, with an adult available to monitor their illness. (i.e: a relative, guardian, etc.) Please fill out the form below and return it to the health office as soon as possible.

\*\*\*These steps are related to recent medical concerns around the world and are being taken in an attempt to protect the Prep community.
